

# SEVENTY 8

MOTOR YACHT

## LAGOON SEVENTY 8 Hull#02

Space is a luxury, and in this area the catamaran offers everything that one could hope for: stability, volume, multiple living spaces. The SEVENTY 8 surprises with the incredible wealth of her volumes.

She is a fully-fledged yacht, competitive against much larger mono-hulls.

The 130 m<sup>2</sup> (1,400 ft<sup>2</sup>) of living space form a coherent whole in which fluency is the watchword. The deck's outstanding surface area augments the living spaces and those giving access to the sea.

From the flybridge, where helm station and lounging space rub shoulders, visibility is sensational. Directly connected to the cockpit and the saloon, the foredeck is innovative. The merging of interior and exterior spaces is the unifying thread of this Motor Yacht to enjoy.

In the starboard hull, the owner's suite occupies a space of 35 m<sup>2</sup> (376 ft<sup>2</sup>). King-size bed, desk, bookcase, private bathroom, walk-in wardrobe... the design of the owner's space forms a stylish and self-contained whole. Supreme luxury, there is a private beach from the owner's suite by virtue of a dedicated 4 m<sup>2</sup> (43 ft<sup>2</sup>) deck that folds out from the side of the hull.

Nimble for coastal navigation, the SEVENTY 8 also has a range of 4,000 miles for voyaging around the world. An Atlantic crossing undertaken in September 2017 with SEVENTY 8 No. 1 confirmed this ability, taking her crew from Las Palmas (Canary Islands) to Saint Martin in 12 days, in total comfort.

Functional and perfectly equipped, the galley and crew quarters are logically grouped together. For privacy and efficiency, the crew have their own companionway.

ASKING PRICE / 4.370.000€

Year built: 2018

Registered under Australian flag

Location: Australia
